Swann Morton Sterile Blades & Handle

Founded in Sheffield during 1932, Swann-Morton have become a world leader in the manufacture of surgical blades, scalpels and handles. It is a name respected globally for quality, precision, consistency and reliability and recognised for combining traditional blade making skills with the latest technology.

The preferred choice of many of the World's surgeons, the wide and varied range of products consisting of around 70 individual blades shapes and 30 different handles is also used extensively by other healthcare professionals such as G.P.s, Nurses and Paramedics along with practitioners in the associated fields of Dentistry, Podiatry and Veterinary surgery.
